April 2021 Newsletter

To share our good news all the teaching staff has now been vaccinated, a big plus going forward. San Mateo County moving up in tier level orange is very encouraging. This has given us the chance on deciding on how to finish the school year up without the usual large scale production/performance safely. Below we outline how to achieve this allowing for small audiences. First exams information.

RAD Examinations set for Wednesday May 26 involving Gr 4, Intermediate, Advanced 1 & the new RAD syllabus “Discovering Repertoire”. As mentioned before these exams will be filmed as the Academy is not ready to send examiners to various corners of the world. In keeping with guidelines and staying in our own bubble. The exams will be conducted in the same manner as all the exams have been in the past, with the difference Ms H will be examiner, Miss Sade will film and Mr. Robert will be in charge of music Cd player. We are not allowed to edit the film in any manner. The video will be sent directly to London where examiners will watch and adjudicate the exams. Also, RAD will require a filming consent form to be signed for each student to be sent home soon.

Mock Exam will be Saturday May 15. Time Schedule TBD and will be sent out shortly along with exam day schedule. Parents of these students are invited to watch Mock exams only.

There will be a small rental fee for regulation leotards and tutu's to be used in the exams.

About end of year performances

We have two graduating students this year. Maya Grant and Isabel Fish.
